Great Day!

Attached is the 2023 application for this year's Lake George artisan farmers market at Shepard's Park in Lake George, NY. We appreciate everybody's interest in the market this year. We have been awarded the contract to manage, promote, and maintain an amazing market; for the tourism, Lake George village benefit, a memorable Lake George experiences while visiting our beautiful lake, and for your local business interests.

Any comments, questions, or concerns regarding the market, application, weather, marketing information/ads shall be directed to my office. We hope for a great season this year and have great plans for the upcoming season. See everyone there on opening day bright and early.

Doing an event in Lake George is incredible; the farmers market faces the lake and there are two pathways where people walk down and as they do they pass us. Now if someone does not buy today; that doesn't mean they won't buy online, next trip or later.

We also have 7 other events for the 2023 summer season.

- ❖ A Model Car Festival in Shepard Park on May 31st and June 1st,
- ❖ The country living festival in Shepard Park on June 10th and 11th,
- ❖ Garlic and Pepper festival in Charles R Wood Park on June 17th and 18th
 - ❖ Family Fun Festival in Shepard Park on July 22nd & 23rd
 - ❖ Sunset in the Park in Shepard Park on August 12th
 - ❖ Mid Summer Nights on August 26th & 27th
- ❖ kris Kringle Christmas festival in Charles R Wood Park on September 23rd and 24th.
